Highland Clinical Research Facility

Delivering Excellence in Healthcare
Research within the Highlands

Interested in healthcare research?

Public participation in Healthcare Research is vital for improving many aspects of patient care. Volunteers are needed for studies that help inform Doctors how best to treat patients.

If you would like to find out more about taking part in any of our studies

Call **01463 255952**

or visit **www.uhi.ac.uk/hcrf**

or email **hcrf@uhi.ac.uk**
